explore the opportunities

Low Risk Business Status

Requirements to be a Low Risk Business

A low-risk business **MUST** be able to:

- Keep all employees and customers at least 6 feet apart at all times
- Never exceed gatherings of more than 10 people
- Take extra measures to sanitize common surfaces, including counter tops, carts, faucets, etc.
- Ensure employees and customers maintain enhanced hygiene practices

AND

- Complete the Low Risk Business Safe Work Plan

What is the Form?

The Low Risk Business Safe Work Plan is available to any business that wishes to remain open and is not classified as “Essential Business or Service.”

The Form includes information such as confirmation that they meet the criteria detailing how the business will sanitize and disinfect common areas and detailing how the business will enforce the federal and CDC guidelines including ensuring that social distancing of 6 feet is maintained between all customers and employees.

Where can I find the Form?

The form is available at www.plainviewtx.org/COVID19. Click the link in the green box on the left hand side titled Low Risk Business Safe Work Plan and complete online.

For more information regarding the Low Risk Business form, please contact Jack McCasland with the Plainview-Hale County Health Department at 293-1359.
